

SPOOKY GOINGS ON

THRILLING HALLOWEEN ADVENTURE

An exciting new outdoor Halloween experience based between Coventry and Birmingham is set to raise the spirits and get spines tingling during this coming October half term.

The Spooky Swamp in Meriden will take visitors on a Halloween adventure like no other.

Beautifully-lit landscapes, eerily illuminated trees and hauntingly spooky surroundings will provide the backdrop to a Halloween Pathway around misty waterways. As you tread carefully into the night, a host of surprises will be uncovered as the secrets of The Spooky Swamp slowly begin to reveal themselves.

This brand-new outdoor event, brought to you by the team at the Packington Estate, will run nightly from Friday, October 22 to Sunday October 31. Each night will see cutting edge lighting and lasers and giant spooky spectacles light up the misty evening skies for miles around.

Children will love eerie storytelling in the Spooky Stories Tipi, face painting from some of the region's finest face painters and artists, the Pumpkin Parlour and the Glow Up Shop. Halloween would not be the same without some sweet tooth goodies, so there will be a Spooky Sweets Stall with a wide range of delightful traditional sweets; plus other seasonal delights of toffee apples and frothy hot chocolate.

There will be a fabulous food market and chance to dine out with some of the best independent food traders in the UK courtesy of local legends, Digbeth Dining Club. A fully stocked Halloween Bar will also be on hand full of tantalising tipples including a range of specially designed cocktails, all complimented by the Digbeth DJs who will also be present playing tunes each evening.

Speaking about The Spooky Swamp, Ben Gray from the Packington Estate, said: ***"We cannot wait to open the gates to The Spooky Swamp and for visitors to experience our new Halloween spectacle. The light installations are simply stunning, which combined with the great array of entertainment, plus food and drink promises to give Halloween goers of all ages a great night out in the half term holidays".***

The Spooky Swamp will be open from 4 – 10pm each night, with the last ticket entry being 9pm. Admission is by timed ticket with adult tickets costing £17.50 and children under 16 only £12.50.

Ben added: ***"After last year's Halloween celebrations were curtailed for many by the pandemic, The Spooky Swamp is set to make up for lost time and also set a new benchmark for outdoor Halloween events."***
