Press and Media Invitation

On behalf of LNBP Community Boating (Braunston), Midland Chandlers and Crewsaver, we are delighted to invite you to a photography and interview opportunity at the 2024 Crick Boat Show to celebrate their sponsorship partnership.

Thanks to their kind generosity, Midland Chandlers and Crewsaver will be officially handing over a new stock of life jackets to LNBP Community Boating at this year's Show to replenish the latter's aged stock, in doing so supporting and aiding their future activities.

Reporters and photographers from the local, regional and trade media are invited to this official handover for photographs and interviews with key stakeholders in this partnership. This will take place at the quayside of Crick Marina on Friday 24th May 2024 – the official Trade and Preview Day of the 2024 Crick Boat Show.
