Bring your group to experience the sights of London on a MONOPOLY Afternoon Tea Sightseeing Bus Tour

The MONOPOLY Afternoon Tea Bus Tour is a pioneering fusion of London's iconic sights, interactive gaming, and high tea indulgence, delivered aboard a vintage Routemaster bus.

The MONOPOLY Afternoon Tea Bus Tour is about 90 minutes long and is great for groups as it combines sightseeing, themed afternoon tea, and a digital MONOPOLY game on a classic Routemaster bus.

Conceived to create a truly immersive experience, it combines a sightseeing journey through central London with a live digital Monopoly game, while guests enjoy a luxurious afternoon tea.

Starting from Somerset House, the bus route brings to life the MONOPOLY game board as passengers pass landmarks like Trafalgar Square, Piccadilly Circus, The London Eye, Westminster, and more, offering panoramic views and cultural immersion.

The innovative experience features at table iPads with a custom MONOPOLY App aligned with actual London locations, enabling guests to buy properties, charge rent, and complete puzzles as they pass real-world landmarks. Guests indulge in a carefully curated themed afternoon tea menu, including mini quiches, scones, macarons, and signature treats, served with optional bubbly - adding a touch of luxury to the adventure.

This exceptional event elevates London's experiential tourism, combining sightseeing, food, and entertainment in a seamless, interactive format designed for maximum enjoyment and social connection. The striking mix of tradition and innovation, set against London's world-famous landmarks, creates an unforgettable experience that celebrates London's vibrant heritage in a contemporary and engaging way.
